Rs 17,400	Rs 21,900	The increase is due to Mr Ramaswamy Iyer's promotion to 2nd grade (Vide Hdg 4), the pay of the Public Prosecutor, Nandidrug Dn, being Rs 150 or Rs 50 more than in the other Divisions, and to increased expenditure on account of travelling allowances owing to revival of circuit Sessions. The decrease is due to the retirement of Mr B. I have the honor to forward herewith budget of this office for 1903-4 & I beg that reference may kindly be made to this office letter No 141 dy 2d Instant

I beg to draw your kind attention to the Proposition Statement Enclosed to the letter quoted above wherein I have proposed a small increement to my Hd: Clerk as well as to the 2d Clerk of my office & an Entertainment of a Munshi.

I would bring to the notice of the Govt: that since the organization of the office the pay of the clerks was neither progressive nor there was a source of increase to their pay on promotion, there being only two Clerks in the office. The

The preparation of records in all the cases in which I appear are to be copied by the clerks besides attending to other correspondences and other references made by other Departments involving Civil, Criminal and Revenue matters and the original records are so voluminous and is astonishing to say that they are prepared in so Shorta period and this was simply done with hopes that they expected promotions as recommended in several occasions by myself and my predecessor would be secured.

The Statement of Cases appended to to the letter above quoted clearly shows the amount of work turned out in the Office.

I would once more urge that the Head clerk H. Venkatagerah being a hardworking and a vast experienced official deserves the promotion I have applied for as he does the duties of the manager since 1886 as also the 2nd clerk

The entertainment of a Munshi though often applied for was not sanctioned as there being no other hand to do his duties whose services are indispensable as most of the records & other correspondences absolutely necessitates his services.

Regarding the increase applied for in the Proposition Statement I beg to point out as noted in the margin there is a saving of Rs. 350/- per mensem and the increment applied for is only Rs 45/- per mensem and thus the increment may be met out of the savings.

MEMO OF INSTRUCTIONS FOR THE PREPARATION OF THE BUDGET ESTIMATES.

Particular attention should be paid to the rules laid down in Chapter 10 of the Civil Account Code, Volume I, Article 155, and also to the following points :—

Estimated Revenue should be—

(1) For what is expected to be actually received during the year, including the arrears of past years.

(2) No net receipts to be entered, but the gross transactions in full.

(3) The estimate of receipts should not be merely an arithmetical average of three years' figures. The average is a guide, but it should not be taken absolutely.

(4) Every department should provide for the whole receipt with which it deals finally.

(5) As regards Land Revenue, Forests, Excise, Mohatarfa and Sayer receipts, the following details should be furnished in a separate statement to accompany the Budget Estimates :—

A—Actuals of the Previous Year.

(*a*) Arrears at the beginning of the year.

(*b*) Current year's demand.

(*c*) Total.

(*d*) Collections—

(1) On account of the arrears of the past and previous years.

(2) On account of the current year's demand.

(*e*) Total.

B—Current Year's Estimate.

(*a*) Arrears at the beginning of the year.

(*b*) Current year's demand.

(*c*) Total demand.

(*d*) Collections—

(1) Actuals during the first eight months.

(2) Estimated collections during the subsequent months.

(3) Total collections.

(*e*) Probable balance at the end of the current year.

C—Estimate for the Ensuing Year.

(*a*) Arrears at the beginning of the year.

(*b*) Demand proper of the year.

(*c*) Total demand.

(*d*) Estimated collections—

(1) On account of arrears.

(2) On account of the year's demand

(3) Total of (1) and (2).

Estimated Disbursements should be—

(1) For what is expected to be actually paid (under proper sanction) during the year including the arrears of past years—not for the demand or the habilities falling due within the year. In no case net charges to be entered, but the gross transactions in full.

(2) Full amount of the sanctioned scale should be shown.

(3) The columns of No. must be carefully filled in, and the rate of pay should be stated.

(4) The estimates for varying charges, such as contingencies, travelling allowance, and the like should be made by taking the average of three years' figures only as a guide, but not absolutely.

(5) No new charge to be entered that has not been sanctioned by competent authority. The No. and date of order sanctioning fresh charges included in the estimates for the first time, must invariably be quoted. New or additional charges proposed, which are not sanctioned by Government, will be disallowed by this office.

(6) Every department will provide for the whole charge with which it deals finally.

NOTES.

1. Full explanation for the variation in the estimates with previous year's estimate should be given opposite such items.

2. The districtwar details for the estimates of receipts and expenditure of the Forest, Excise, Registration, Judicial, Police, Muzrai and Medical Departments, which are reviewed and consolidated by their respective heads of departments or controlling officers, may be prepared as heretofore separately in manuscript and attached to the printed form wherein the totals are given.

3. No supplemental estimates will be attended to by this office if not received by the end of March.

Sir,

In returning herewith the Budget estimates of the Judicial Department for 1903-04, received with your letter No 5-357/204 dated 18th March 1903 I am directed to request the following points ~~observations~~ :—

(1.) Under Sub-head (1) Chief Court, the sanctioned estimate for 1902-03 as per printed budget of that year, is Rs 1,158, while in the draft Budget now submitted it is shown

shown as Rs 1,30,104. This difference requires explanation.

(2). Under Sub-head "(2) Civil and Sessions Courts" the proposed total estimate for 1903-1904 is entered as Rs 76,356 while the total of the figures entered against each item comes to Rs 75,856. This mistake requires correction. Also the total sanctioned estimate for 1902-03 under the above head is entered as Rs 80,356 while it is Rs 80,956 in the printed budget of that year. This difference should be explained.

(3). Under "(4) Sub Judges Courts, the sanctioned estimate for 1902-03 is entered as Rs 21,742 while the same as given in the printed Budget of that year is Rs 21,819. The cause of this difference

should be explained.
Under this head also
the proposed estimate
for 1903-04 is shown
as Rs 59,246 while the
total of the several
items comes to Rs 59,146.
This difference requires
elucidation.

(4) Under "(5) Munsiffs'
Courts", the total
sanctioned estimate
for 1902-03 is Rs 1,04,856
while Rs 1,05,140 is
entered in the draft
budget now submitted.
This difference also
requires explanation.

(5) Under "(6) Central
Nazir's Courts", the
total sanctioned estimate for 1902-03
is Rs 62,122
while the same is
shown as Rs 62281
in the draft budget
for 1903-04. The reason
for this difference
should be explained.

2- Reasons should also
be given for the decrease
of Rs 656 shown under

GOVERNMENT OF MYSORE Bangalore 4th May 1903

S/L

From.

V. A. Rajaratna mood. Esqr:

Registrar, Chief Court of Mysore

To. H. V. Nanjundayya Esqr. M.A., M.L.

Secretary to Government,

Genl: & Rev: Departments

Sir,

With reference to your letter No. J 1579 dated 8th April 1903 returning the Budget Estimates of the Judicial Department for 1903-04 and requesting explanations on certain discrepancies therein pointed out, I am directed to state that in most cases the discrepancies arose in taking up figures of actual expenditure incurred during the year 1902-03 instead of the Estimates sanctioned in the Printed Budget of that year.

A memo explaining the discrepancies under

under sub heads 1, 2 and 3 is herewith for-
warded.

As regards the difference of Rs 324 pointed out under sub head 4 I am to state that the figures furnished by municipalities for the year 1902-03 were the actual expenditure incurred by them during that year and the Consolidated Budget of this Court was prepared in accordance with the figures furnished by them. As they are embodied in the consolidated District Estimates, they could not now be verified with the Budget figures of that year. The figures given in the Sanctioned Budget have therefore been adopted for figures under a, b and c under this sub head and necessary corrections made in the draft Budget.

The mistakes in totals under sub heads 2 and 4 (Sub Judges) have been corrected.

A fresh copy of the Budget Estimates with the corrections as indicated above is submitted.

A printed copy of Comptroller's Circular no. 2009 B and R 40 dated 14th February 1903 published in the Mysore Gazette Part II dated 19th February 1903 page 192 is herewith submitted for reference.

I have the honor to be,
